Welcome to PARADISE!

Events YEAR ROUND

There is literally something for everyone at this 8-acre Amenity Village, many—like this playground—open all year long. Also open year-round is a fitness facility inside the Clubhouse with priority access just for residents. And what a view! You won't see this at other neighborhood gyms, that's for sure. The Balmoral Clubhouse can accommodate meetings, banquets and receptions for up to 200 guests. And that includes bridal rooms and services for that wedding on the beach next to the grotto. All of these things and more will be managed by a professional events team with offices right in the clubhouse.

They will organize everything from homeowner events to lagoon-wide programs for residents and invited guests. There are even opportunities for corporate outings and sponsored programs on designated days throughout the year.
